JUNE 18–20, 2020 | FORUM FRIBOURG

*THE SWISS MEETING  
FOR MEDICAL  
IMAGING SPECIALISTS  
DIAGNOSIS AND TREATMENT*

## RADIATION PROTECTION & MR SECURITY COURSES

# SATURDAY, JUNE 20, 2020

## 08:00-09:30 SGR-SSR/SVMTRA-ASTRM Radiation protection course

---

"X-RAY" SHADES OF GRAY: IMPROVE YOUR KNOWLEDGE IN RADIATION PROTECTION!

**Learn about radiation protection tools for daily practice, immerse yourself in practical cases & understand the principles of operational radiation protection!**

Radiation protection in Switzerland: Where are we today?

*S. Schindera, Aarau/CH*

Radiation protection from the physicist's point of view

*Y. Käser, Uetikon am See/CH*

Interactive Quiz and Cases: Radiation protection doesn't have to be complicated, but you have to think about it

*I. Gremion, Lausanne/CH & A. Gutzeit, Lucerne/CH*

## 09:30-10:45 SGNM-SSMN Radiation protection session

---

News and informations from the BAG

*N. Stritt, Bern/CH*

Low-dose PET/CT and SPECT/CT protocols adapted to clinical indications

*M. Werner, Zurich/CH*

Radiation protection in the hot lab

*P. Koch, Basel/CH*

**The Radiation protection & MR security courses are organised by**

SGR-SSR | Swiss Society of Radiology

SVMTRA-ASTRM | Swiss Association of Radiographers

SGNM-SSMN | Swiss Society of Nuclear Medicine

**10:00-10:50 SGR-SSR/SVMTRA-ASTRM Comprehensive MR security course – Part 1**  
**12:00-13:15 SGR-SSR/SVMTRA-ASTRM Comprehensive MR security course – Part 2**

---

STATE OF ART IN MR-SECURITY

**Identify the many risks & issues, learn how to avoid the unavoidable, learn about the relevant Swiss law & identify safety issues specific to paediatric MRI!**

Why are there accidents in MRI?

*B. Delattre, Geneva/CH*

How to prevent accidents in MRI?

*C. Gaignot, Geneva/CH*

Statistics of reported MR incidents and MR-safety relevant Swiss law

*D. Nanz, Zurich/CH*

MRI safety in a children's hospital – What is different to adults?

*R. Tuura, Zurich/CH*

Round table discussion

*B. Delattre, Geneva/CH; M. Bontean, Geneva/CH; D. Nanz, Zurich/CH;*

*R. Tuura, Zurich/CH*

**11:00-11:40 Less stress in radiology thanks to hypnosis**

---

AFFIDEA INDUSTRY SESSION

*R. Kremser, Sierre/CH*

**What is hypnosis? Short introduction to hypnotic language and a few examples taken from the daily practice. At the end there will be a short trance to experience.**
